WINE WORLD - NATURE - CERTIFICATE OF ORIGIN

## **D.O. Alella**

### *Vineyards between two worlds*

---

The DO closest to Barcelona, from where you can also enjoy the views of the city and the north coast or to the imposing Montseny or the emblematic Montserrat depending on the location. Located in the mountains of the Serralada Litoral and Serralada de Marina Parks, between the Vallès plain and the Mediterranean coast, in a typically granite soil that gives particularity to its wines. A territory of contrasting climates within a very short distance, producing especially diverse, perfumed and sparkling white wines, such as Marfil, where the white raisin stands out as the most distinctive variety.

The activity includes an easy walk through the immediate natural environment to one of the DO vineyards and a wine tasting and a small snack.
